GREENFIELD CITY COUNCIL

Regular Meeting Minutes April 20, 2022

John Zon Community Center, 35 Pleasant Street

6:30 pm

CALL TO ORDER: Meeting was called to order at 6:30 p.m. by President Gilmour.

CHAIRS STATEMENT: This meeting is being recorded and videotaped by the City Council and GCTV-15. If any other persons present are doing the same you must notify the chairperson at this time. It was noted an unidentified individual from the public was also recording the meeting.

ROLL CALL OF MEMBERS: Roll Call was taken. Councilor Helie was absent.

ALSO PRESENT: Mayor Roxann Wedegartner; City Clerk Kathryn J. Scott; Finance Director/City Auditor/City Accountant Elizabeth Gilman (via phone); Chief of Staff Danielle Letourneau; School Committee Chairperson Amy Proietti; DPW Director Marlo Warner; Police Chief Robert Haigh; Fire Chief Robert Strahan; Deputy Chief of Police William Gordon; Parliamentarian Wilson Roberts; GCTV-15 staff; Mary Byrne, *the Recorder*, and members of the public.

The Pledge of Allegiance was held.

ACCEPTANCE OF MINUTES: On a motion by Councilor Ricketts, second by Councilor Forgey, it was unanimously,

MOVED: TO ACCEPT THE CITY COUNCIL MINUTES OF MARCH 16, 2022.

DISCUSSION: Councilor Lapienski requested a correction to the motion to call the question to correctly reflect the roll call vote as 11 yes, 1 no.

Councilor Lapienski requested an amendment to reflect his presence at the meeting was on screen. Without objection, the Council accepted the changes/amendments as proposed.

It was unanimously,

VOTED: TO ACCEPT THE CITY COUNCIL MINUTES OF MARCH 16, 2022 AS AMENDED.

COMMUNICATIONS:

SCHOOL SUPERINTENDENT AND SCHOOL COMMITTEE: School Committee Chairperson Amy Proietti reported the following:

• Last day of the 2021-2022 school year was scheduled for Thursday, June 16th, as a half day.

MAYOR, CITY OFFICERS AND EMPLOYEES: Mayor Wedegartner reported the following:

- The Mayor had previously forwarded a written report memo to the Council (see attached). Councilors asked the following questions:
 - Status on the request for an itemized list to the distribution of ARPA (American Rescue Plan Act) funds and why those funds were not used towards premium pay for essential workers.
 - Explanation as to why the Capital appropriation request from the Police Department was an exurbanite amount and the DPW was given a proposed reduced budget.
 - Both requests would be discussed under Motions, Orders and Resolutions tonight.

OTHER CITY EMPLOYEES AS NEEDED, BY INVITATION: It was noted that Chief Robert Haigh had been invited to attend; however, as of now, he had not arrived.

MOTION: On a motion by Councilor Terounzo, second by Councilor Forgey, it was

MOVED: TO SUSPEND THE RULES OF PROCEDURE AND MOVE PUBLIC COMMENT NEXT ON THE AGENDA AND SAVE COMMUNICATIONS FOR CHIEF HAIGH AFTER PUBLIC COMMENT.

DISCUSSION: Point of order was made as to the necessity of suspending the rules of procedure.

It was by majority, 1 no,

VOTED: TO SUSPEND THE RULES OF PROCEDURE TO PROCEED TO PUBLIC COMMENT AND RESERVE COMMUNICATIONS WITH CHIEF HAIGH ONCE HE APPEARED AT THE MEETING.

PUBLIC COMMENT: The following members of the public spoke:

- David Schirm, Barton Road, spoke to his opposition on a proposed marijuana cultivation facility on Country Club Road.
- Pamela Goodwin, High Street, thanked the Health Department with the issues at the Weldon Building and spoke to the ongoing cleanup of the Lunt Property and efforts to provide public housing in Greenfield.
- Alan Collins, Country Club Road, spoke to his opposition on a proposed marijuana cultivation facility on Country Club Road.
- Ruth Gemperlein, Country Club Road, spoke to her opposition on a proposed marijuana cultivation facility on Country Club Road.
- Jon Magee, Green Street, urged Councilors to reject or reduce the proposed Capital appropriation request made by the Police Department.
- Caroline Bruno, Peabody Lane, urged Councilors to reject or reduce the proposed Capital appropriation request made by the Police Department.
- Nancy McIver, Plantation Circle, spoke to other areas in Massachusetts where marijuana grow facilities were established far from residential homes and how Country Club Road would not be an acceptable location for a proposed marijuana cultivation facility.
- Otis Wheeler, Deerfield Street, spoke to his appointment by the Mayor to the Greenfield Redevelopment Authority.
- Ella Condon, Beech Street, urged Councilors to reduce the proposed Capital appropriation request made by the Police Department.
- Molly Merrett, Solar Way, urged Councilors to reject or reduce the proposed Capital appropriation request made by the Police Department.
- Sandy Kosterman, North Greenfield, urged Councilors to continue discussion on proposed amendments to Greenfield City Charter Section 7-7: Citizen's Initiatives and spoke in opposition on a proposed marijuana cultivation facility on Country Club Road.
- Ellen Thompson, Greenfield, spoke to the inappropriate use by the City of taxpayer money and unnecessary expenditures towards wasteful projects.
- Ashli Stempel-Rae, Conway Street, spoke to her potential appointment by the Mayor to the Greenfield Redevelopment Authority. She also spoke to the increase of speeding in Greenfield and DPW's efforts to place radar signs in certain areas to deter speeding.

OTHER CITY EMPLOYEES AS NEEDED, BY INVITATION: Deputy Police Chief Gordon reported the following:

- Provided rationale for the proposed appropriation requests from the Police Department.
- Explained the difference between the "Sally Port" requested by the Police Department and a car wash used by the public.
- Update locker rooms to make them more gender neutral.
- Expand room for dispatchers to provide more comfort and accessibility to needed amenities.
- Update room for the safety of both officers and prisoners.
- The parking lot had not been repaved for at least 20 years and a steep ledge that could damage police cruisers and cause injury.

Councilors asked the following questions:

- Inquiry for reason the police would have to seize a vehicle and to house it at the police station and not the tow lot.
- Inquiry for reason to provide comfort in locker rooms for female officers when they deal with more uncomfortable situations associated with their jobs.
- Inquiry for reason the police department needed over half a million dollars to improve locker rooms.

Police Chief Haigh appeared at 7:40 pm and continued answering questions with Deputy Chief Gordon.

- Inquiry for reason the police had not considered the purchase of smaller vehicles in order to accommodate the small car port.
- Police vehicle detailing and cleaning an in house service or continue to contract outside services.
- Inquiry for reason the police department would need a Sally Port containing 3 separate sections.
- Justification for the allocation of funds needed for a structure that was on average less utilized than classrooms in schools.
- Probability the police department could continue to have safe and proper accommodations if the Sally Port contained 2 sections instead of 3.
- Possibility for the Police Department to use a modular Sally Port as opposed to a permanent structure.
- Sally Port used for other vehicles besides police cruisers.
- All of the bays in the proposed design of the Sally Port insulated.
- Concern as to the amount of funds allocated towards a building the police department may no longer utilize within the next ten years.

President Gilmour called for a 5 minute recess at 8:17 p.m.

President Gilmour resumed meeting at 8:22 p.m.

MOTION: On a motion by Councilor Lapienski, second by Councilor Mayo, it was, **MOVED:** TO AMEND THE APPROPRIATION BY \$1,060,000; REDUCING THE AMOUNT FROM \$1,165,000 TO \$105,000.

DISCUSSION: The amended amount was the requested funding to address the water infiltration.

MOTION: On a motion by Councilor Ricketts, second by Councilor Mayo, it was by roll call, 11 yes, 0 no, **VOTED:** TO CALL THE QUESTION.

Order No. FY22-098 as amended, was now on the floor for a vote.

It was by roll call, 2 yes, 9 no,

DEFEATED: TO APPROVE AMENDMENT.

Order No. FY22-098 with appropriation of \$1,165,000 was now on the floor.

It was by roll call, 7 yes, 2 no, 2 abstentions, (9 positive votes required to pass), **MOTION:** TO APPROVE ORDER NO. FY 22-098.

President Gilmour called a 5 minute recess at 10:16 p.m. to verify the inclusion of abstained votes to the prevailing side of the vote.

President Gilmour resumed meeting at 10:29 p.m.

Parliamentarian Roberts explained to the Councilors that an abstention was counted as a negative; therefore, the motion had failed.

Councilor Bullock announced she would change her vote from an abstention to a no vote in order to bring this motion back to reconsider.

President Gilmour withdrew her decision to decline to vote on this issue and announced she would vote no.

It was by majority, 7 yes, 4 no, 1 abstention, (9 positive votes required to pass), **DEFEATED:** TO APPROVE ORDER NO. FY 22-098 AS AMENDED: THE CITY COUNCIL, UPON RECOMMENDATION OF MAYOR WEDEGARTNER, THE SUM OF \$1,848,900 \$1,845,000 \$1,355,000 \$1,165,000 BE APPROPRIATED FOR UPGRADES TO THE POLICE STATION AND TO MEET SAID APPROPRIATION, TRANSFER \$56,000 FROM FUND 8402 CAPITAL STABILIZATION AND THE TREASURER, WITH THE APPROVAL OF THE MAYOR, IS HEREBY AUTHORIZED TO BORROW SAID SUM OF \$1,792,900 \$1,789,000 \$1,299,000 \$1,109,000 PURSUANT TO MASSACHUSETTS GENERAL LAWS, CHAPTER 44, OR ANY OTHER ENABLING STATUTE, AND THE MAYOR IS HEREBY AUTHORIZED TO APPLY FOR, CONTRACT FOR, ACCEPT AND EXPEND ANY FEDERAL AND/OR STATE GRANTS AVAILABLE FOR THIS PROJECT TO BE USED TO REDUCE THE WITHIN APPROPRIATION, AND FURTHER, THE MAYOR IS AUTHORIZED TO TAKE ANY ACTION NECESSARY TO CARRY OUT THE INTENT AND PURPOSE OF THESE PROJECTS.

Councilor Bullock stated that she would motion to reconsider Order. No. FY22-098. President Gilmour noted that motions for reconsideration could occur at the end of the agenda.

Parliamentarian Roberts cautioned the Councilors that a motion for reconsideration could only be entertained once.

Councilor Lapienski noted that during the recess some Councilors had discussed how their votes could be changed to allow this motion to fail and bring back for reconsideration.

President Gilmour noted the Parliamentarian stated it was an appropriate discussion due to the issue of the inclusion of abstentions affecting the outcome of a vote.

Order no. FY 22-099

MOTION: On a motion by Councilor Terounzo, second by Councilor Ricketts, it was, MOVED: THAT IT BE ORDERED THE CITY COUNCIL, UPON RECOMMENDATION OF MAYOR WEDEGARTNER, THE SUM OF \$275,000 BE APPROPRIATED FOR MAIN STREET RECONSTRUCTION (B2 ENGINEERING), AND TO MEET SAID APPROPRIATION TRANSFER \$100,000 FROM FUND 8402 CAPITAL STABILIZATION AND THE TREASURER WITH THE APPROVAL OF THE MAYOR, IS HEREBY AUTHORIZED TO BORROW SAID SUM OF \$175,000, PURSUANT TO MASSACHUSETTS GENERAL LAWS, CHAPTER 44,OR ANY OTHER ENABLING STATUTE, AND THE MAYOR IS HEREBY AUTHORIZED TO APPLY FOR, CONTRACT FOR, ACCEPT AND EXPEND ANY FEDERAL AND/OR STATE GRANTS AVAILABLE FOR THIS PROJECT TO BE USED TO REDUCE THE WITHIN APPROPRIATION,

DISCUSSION: Councilor Forgey reported the Ways & Means Committee forwarded a unanimous positive recommendation. Councilor Forgey explained a portion of the lot used by the City was privately owned and the City entered into a lease to maintain that section of the parking lot in exchange for its use. The portion the City leases had recently been sold to a new owner and there were questions in regards to the lease under the new owner.

MOTION: On a motion by Councilor Lapienski, second by Councilor Mayo, it was by majority 9 no, 2 yes, **DEFEATED:** TO CALL THE QUESTION.

Order No. FY22-103 remained on the floor for further discussion.

DISCUSSION: It was noted there was documentation including language in reference to the City maintaining the lot in exchange for its use and had produced revenue for the City that was currently unable to be located.

- DPW Director Warner provided rationale for the City to maintain the leased portion of the parking lot.
- Possibility of litigation by the owner if the City did not pave the portion they were leasing.

It was by majority, 7 yes, 3 no, 1 abstention, (9 positive votes required to pass),

GREENFIELD, MASSACHUSETTS OFFICE OF THE MAYOR

City Council Monthly Update Memo

To: President Sheila Gilmour, Vice-President Dan Guin

CC: City Councilors, Clerk Kathy Scott, Council Clerk Tammy Marciel

From: Mayor Roxann Wedegartner

RE: April Monthly Update

Greetings Councilors,

In an effort to shorten Mayor's remarks at the City Council meeting, I offer you this brief update on what notable things have transpired in the Mayor's Office this month.

Chief Assessor Hiring: I am delighted to report to you that we have hired Randall Austin, a very experienced municipal Chief Assessor. Randall will be leaving his position as Chief Assessor in the City of Easthampton to join us here in Greenfield. He will start work on Monday, April 25th. I hope to be able to introduce you to him at the May City Council meeting.

Finance Director Hiring: We are currently in negotiation with a candidate for Finance Director who also has considerable municipal finance experience in area Western Massachusetts towns. We hope to be able to announce her hiring soon.

Grant Opportunities: Chief of Staff Dani Letourneau very recently attended a phone call for city and town officials with Senator Elizabeth Warren, who wanted to alert us to the pending opportunities for Congressionally Directed Spending grants otherwise known as Federal earmarks. Senator Warren was very encouraging about many of the options available, some of do not apply to us. The turnaround for the grant applications is very quick; they are due on Friday, April 15 by 6 PM. This Friday! We will be seeking one that will assist in providing additional funding for the new fire station. Athena is working fast and furiously with Chief Robert Strahan and Lieutenant William Kimball to finalize the grant application that potentially will assist in Fire Station funding. I do not yet have all the details to share with you, but I will when I have them. Senator Warren told us to also submit to Senator Markey's office as they work together closely on these types of funding requests. So cross your fingers.

I am also including Health Director Hoffman's monthly report to the Mayor below.

April 12, 2022

Dear Madame Mayor - The Health Department has been busier than ever. Multiple grant submittals, managing grant accounts, organizing the department (scanning documents in Municity and updating

inspection lists), managing complaints, preparing for receivership, processing different permits as well as daily disease surveillance (HVAI, syphilis, COVID). See the following for an overview.

GRANTS 1. Public Health Excellence Grant Program for Shared Services – up to \$300,000/yr for 9 years. Will be collaborating with Montague, Deerfield, Sunderland, Leveret and Shutesbury. The grant is to ensure: a comprehensive and equitable set of PH services/sustainable business model and to support cross-jurisdictional sharing arrangements. Can be used for: New PH software, tablets, positions that are NOT currently budgeted within the jurisdiction and academic (to name a few)

2. Intermunicipal COVID-19 Contact Tracing Grant - \$125,000/yr for two years (possible 3rd) a. Meet bi-weekly with municipal leadership to discuss concerns and goals b. Two nurses: Robin Neipp assists Montague and Maryellen Sloan assists Sunderland and Deerfield. c. In the process of hiring a part-time epidemiologist – Jack Sullivan. d. The nurses are allowed to work on public health initiatives that the local jurisdiction and Greenfield feel are appropriate. However, COVID will always have precedent on the grant over the projects.

Megan: Working on new-mother baby group, menstruation equality, vaping education.

Robin: Safe gun storage.

Maryellen: Transportation concerns and educating elderly on what is a medical emergency vs. non-emergency care.

3. Purple Air Sensor Grant PA-II = \$249 a sensor: (\$2,490) a. Currently being calibrated in Springfield with the Public Health Institute of Western Massachusetts. Once they are completed programming, they will be sent back for installation. b. Given 10 air sensors. Working with the

DPW and IT for areas to place the sensors.

4. Better Together Grant - Did not get awarded.

Report from 3/7/2022 to 4/11/2022

Complaints: 65 Majority are housing/health department complaints. Ranging from trash to building concerns

Inspections: 78 total

38 housing

6 Barn Inspections (barn inspections are completed for 2021)

Re: New Information on Legion Avenue Parking Lot

Roxann Wedegartner

to Councilor, Councilo

Hello, Councilors Forgey and Gilmour,

As mentioned in an email from me on Friday, here is the letter written by Mayor Martin to then property owner, Robert S. Cohn, regarding the section of the Legion Avenue Lot in question on the FY23 Capital Budget. Mr. Cohn subsequently sold several properties to Timothy Grader, the current owner of the property abutting the parking lot. The verbal promise, and subsequent letter attached, traveled with the property when it changed hands. They are, in essence, legal binding contracts.

Chief of Staff Dani Letourneau and myself have had subsequent conversations with Mr. Grader regarding the City's paving of the triangular shape (spaces 1-5) within the last year and a half. Those conversations centered around the fact that a promise was made to the owners (Cohn and now Grader) by Mayor Martin that the City would pave the lot. As noted, this year's capital covers the first phase of paving.

I knew this letter existed somewhere, but we were unable to find it before last week's meeting, but we didn't stop looking. Should you have any further questions, please feel free to reach out to COS Letourneau and me.

Best regards,

Roxann

Dear Mr. Cohn,

Per our conversations, the City is currently working on plans to rehabilitate the Legion Ave parking area. This will be a multi-phase project, in order to minimize disruption to businesses and secure funding. The projected timeline is dependent on funding and whether the work can be performed in-house.

At the latest, work will begin in October of 2019. Phase 1 will consist of the demolition of concrete barriers; the leveling and an application of a course of asphalt; restriping with modified layout; and reinstallation of payment kiosks.

Phase two could include the possibility of a land swap, which would require negotiation with property owners through legal means.

Please feel free to contact me with any further questions.

Best Regards,

William F. Martin

MEMO

TO: Greenfield City Council

FROM: Dani Letourneau, Chief of Staff to Mayor Roxann Wedegartner

DATE: 5/05/2022

CC: Mayor Roxann Wedegartner, Health Director Jennifer Hoffman, Board of Health

Chair Dr. Nancee Bershoff RE: Annual Mosquito Vote

Dear Councilors.

Please see the attached information on the annual opt-out for the State Reclamation and Mosquito Control Board (SRMCB).

We opt out of this program because Greenfield joined the Pioneer Valley Mosquito Control District (a regional "MCD") in 2020.

Benefits of membership in the regional MCD are numerous, including Water Management, Source Reductions, Education and Outreach, Larval Mosquito Treatment, Adult Mosquito Treatment, and are outlined here: https://www.mass.gov/doc/massachusetts-mosquito-control-project-services/download.

Each year, municipalities must follow the process if they wish to opt-out of the SRMCB, outlined under M.G.L. c. 252, Section 2A., which includes a vote of the Board of Health (on their agenda for May 9th), and a vote of the City Council. The opt-out must be submitted by the Health Dept. to the State by May 27, 2022.

Respectfully Submitted, Dani Letourneau Chief of Staff to the Mayor

Massachusetts Mosquito Control Project Services

Under the oversight of the State Reclamation and Mosquito Control Board ("SRMCB"), which sits within the Massachusetts Department of Agricultural Resources ("MDAR"), there are currently nine (9) operational Mosquito Control Districts ("Districts") that have been created in accordance with enabling legislation and M.G.L. c. 252. These Districts are tasked with mosquito control. disease surveillance, and public education, throughout more than 200 member communities. These Districts use an Integrated Pest Management Approach (IPM) to make the best decisions about the mosquito management methods needed to reduce the risk of mosquito-borne illness and provide residents with relief from nuisance levels of biting mosquitoes. Services are tailored to the member communities' unique geographical makeup, needs of their residents, and are determined in consultation with local municipal officials, including boards of health.

The IPM methods currently employed by the Districts address each stage of the mosquito life cycle while following applicable federal, state, and local statutes, regulations, and guidance regarding proper pesticide application and wetlands and wildlife protections. Any treatments that are made are done in accordance with applicable pesticide statutes and regulations and label directions. These methods, endorsed by the Centers for Disease Control and Prevention ("CDC"), Department of Public Health ("DPH") and the Environmental Protection Agency ("EPA"), include five key components:

Water Management: Water management is an important tool in reducing mosquito populations. It involves the clearing of sediment, debris, or other blockages from existing waterways (drainage ditches, culverts, streams, swales, ponds, etc.) in order to eliminate stagnant water conditions that allow mosquito larvae to thrive. Districts typically work with municipalities to identify and target areas where sediments and other debris accumulate as a result of road sanding efforts, storm damage, or other natural or unnatural processes that inhibit proper drainage in these environments. Districts also conduct joint water management and wetland/stream/salt marsh restoration

¹ The Nantucket Mosquito Control Project does not have funding, staff, or provide services. The SRMCB recently created the Pioneer Valley Mosquito Control District, which is in the beginning stages of obtaining funding, staff, and operations.

projects in cooperation with State Agencies, United States Army Corps of Engineers, and others.

Source Reduction: Mosquito management recognizes that certain environments can become sources that result in an increase in mosquito habitat. For example, used tires and other containers that hold water can become areas that support larval mosquito development. During the course of one season, hundreds or even thousands of mosquitoes can emerge from a single tire. The removal or draining of these containers will prevent mosquito eggs from hatching or prevent larvae from becoming adult mosquitoes. Several Districts offer free tire recycling to their member municipalities, and work with those municipalities to assess and manage areas with significant artificial container habitats, from industrial properties to houses with abandoned swimming pools.

Education and Outreach: Educating the public about mosquitoes and mosquito-borne illness is an important aspect of integrated mosquito control. Districts produce educational outreach materials, give presentations to the public, and bring outreach materials to public events, in order to teach people about the "personal protection" required to prevent mosquito-borne illness. Several Districts also offer comprehensive programs to their member communities that are geared towards K-12 audiences.

Larval Mosquito Treatment: Treatment of mosquitoes in their larval stage is one of the key parts of integrated mosquito management. Since mosquito larvae are restricted to aquatic habitats, larval treatments can be targeted to specific areas. Districts typically treat larval habitats with biological pesticides (bacterial products, such as *Bacillus thuringiensis israelensis* (Bti) and *Bacillus sphaericus* (Bsph), that have a limited non-target host range), but may use other chemical products such as methoprene to target certain mosquito species. The applications are made using ground based equipment or aircraft. All treatments are made in accordance with applicable pesticide statutes and regulations and label directions.

Adult Mosquito Treatment: While it is preferable to manage mosquitoes in the larval stage, before they can bite humans or produce more offspring, larval treatments are not always feasible. Larvae may be located in habitats which are difficult to access and treat, or where treatment with larvicide is restricted by State and/or Federal regulations. Districts may respond to localized areas with high levels of mosquitoes known to carry disease, or to resident complaints about nuisance levels of mosquitoes, by treating with adulticides. Adulticiding is an important tool for public health mosquito control programs. Before treatment occurs, Districts use mosquito surveillance, along with their local knowledge of the geography and history of their member communities, to verify the mosquito species that are present. They also work with DPH to determine whether these mosquitoes

are carrying mosquito-borne illnesses. If treatment is deemed necessary, it is typically done using ultra-low volume (ULV) truck spraying or backpack sprayers. The pesticides used during treatment are those that have been reviewed and registered by the EPA and Massachusetts Pesticide Sub Committee, and are applied by skilled licensed applicators at dusk or dawn, when mosquito activity is at a peak (and other insect activity is limited). The licensed applicators are trained on how to make these types of applications and attend continuing education trainings relative to pesticide use.

In rare cases, the presence of mosquito-borne disease reaches a level where a declaration of a public health emergency is made by the Commonwealth. When there is a significant risk of humans contracting a mosquito-borne illness, the SRMCB, working with other state agencies including DPH, may then deem it is necessary to perform a wide-area aerial spray of adulticide, in response to a public health emergency. In these cases, the SRMCB works closely with the District(s) in the area where the emergency was declared to conduct appropriate mosquito control operations.

The decision to treat mosquito larvae or adult mosquitoes in a particular area is backed by mosquito surveillance and disease testing, mapping of land use and habitat types, and a biological understanding of the mosquito species that reside there.

Besides the 5 key components used by the Districts, they meet with the SRMCB, MDAR, and DPH regularly to discuss mosquito issues. They participate in trainings about the latest in mosquito control practices, and receive guidance from DPH, to ensure that the decisions they make about mosquito management will have a minimal impact on the residents and environment of their member towns and cities. This collaborative network of state and local officials is critical in protecting the public from mosquito-borne illness.

Re: OPEB Stabilization Transfer

Last year, for the first time, the City of Greenfield utilized the OPEB stabilization fund to assist with the increasing cost of retiree health insurance in the General Fund operating budget.

The OPEB Stabilization fund is being utilized in the same manner as the Parking Meter Receipts Reserved Fund in supporting the Fiscal year 2023 operating budget. Within the Fiscal Year 2023 General Fund Operating Budget there is an increase of 6 new retirees with benefits as well as an overall increase in the cost of health insurance. The transfer from the OPEB stabilization assists with this increase.

The financial order last year was written "to reduce the tax rate". This year, at the Department of Revenue's request, the vote will be to "reduce the raise and appropriate" amount.

The concept is really identical and accomplishes the same thing, but the nuance is where the amount is "placed" or entered on the Tax Recapitulation Sheet when setting the tax rate.

The OPEB Stabilization Fund differs from the City's other stabilization funds as it has a dedicated recurring revenue stream from cannabis revenue and therefore is not reliant on free cash. The cannabis revenue will replenish the amount in the OPEB Stabilization Fund just as parking meter revenue replenishes the Parking Meter Receipts Reserved Fund.

The City of Greenfield is an Affirmative Action/Equal Opportunity Employer, a designated Green Community and a recipient of the "Leading by Example" Award

An Order To Establish Spending Limits on Revolving Funds

Ordered, that:

The City Council authorize the following Revolving Funds Spending limits in accordance with M.G.L. Chapter 44, Section 53 E-1/2 for the Fiscal Year 2023. Receipts received but not expended in Fiscal Year 2023 shall be carried over to Fiscal Year 2024 unless otherwise indicated in the attached. No further appropriation shall be made in excess of the balance of the fund nor shall total expenditures for the fiscal year exceed the annual spending limit as noted. The aggregate amount of all Revolving Funds spending limits is not to exceed \$680,557.

The City Council,

Upon recommendation of Mayor Wedegartner

An Order To Increase the FY22 Ambulance Revolving Spending Limit

Ordered, that:

The City Council authorizes increasing Fund 1585 Ambulance Services Revolving to a revised spending limit of \$210,000 for the Fiscal Year 2022 for ambulance expenses and in accordance with M.G.L. Chapter 44, Section 53 E-1/2.

Receipts received but not expended in Fiscal Year 2022 shall be carried over to Fiscal Year 2023.

No further appropriation shall be made in excess of the balance of the fund nor shall total expenditures for the fiscal year exceed the annual spending limit of \$210,000.

Majority vote required

VOTE:

Explanation of supporting rationale:

- 1. This financial order is for the current FY22 fiscal year only. Subsequent fiscal year limits are voted annually by City Council.
- 2. This represents an increase of \$90,000 from the FY22 voted amount of \$120,000.

To: Mayor Roxann Wedegartner CC: Finance Director Liz Gillman

From: Chief Robert Strahan Date: 3/28/2022

RE: Increase Spending from Ambulance Revolving Account

The Fire Department is requesting an increase in the spending limit of an additional \$90,000 to the FY22 appropriated amount of \$120,000 in the FY22 ambulance revolving account. This request is to offset a deficit in the overtime line item within the Fire Department FY22 general budget. This will increase the spending cap from the Ambulance revolving account to a maximum of \$210,000 for FY22.

This past year has seen an unprecedented increase in use of overtime. The reasons for this increase are as follows:

- Contractual obligations
- Multiple Firefighters on long-term FMLA due to a birth of a child
- Multiple Covid leaves due to illness or exposures
- Loss of two Senior Lieutenants to other departments
- Members on long-term injury
- A Member on long-term leave after being injured on duty
- Delay in adding new firefighters because of difficulty in getting physicals due to Covid
- One member assigned to Grand Jury Duty
- One new firefighter assigned to the recruit Firefighting program
- An Increase in emergency calls

All of the reasons listed above, and then some, have led to this request for the use of additional funds from the ambulance revenue, in the revolving account. There is a total balance in this account of \$538,354.

Thank you for your time and consideration on this very important matter.

Re: Compensated Absence Fund

As stated on the financial order, in FY2014 City Council approved the establishment of a Compensated Absence fund for to provide for the payment of compensated absences upon separation of employment from the City of Greenfield.

When employees retire or leave from the employment of the City of Greenfield, unused vacation and personal time must be paid as well as a percentage of sick leave if the individual is long term employee who retires.

These amounts can be substantial and while Departments do their best to try and cover the cost, sometimes there is just not enough time left in the fiscal year or the amount is just too large. For example, two employees left the Human Resources right towards the end of June last year.

This fiscal year, the Police Department had 4 employees retire. The Police Department is trying to cover the expense, but it is already at \$52,129.13 and will likely need some assistance from the Compensated Absence Fund. The current balance in the Compensated Balance Fund is \$49,145.70.

The last voted transfer of free cash to the Compensated Absence fund was in March of 2021 for \$25,000 (bringing the balance to \$71, 987.04.). Since then, three buybacks were funded; two from the Human Resources Department mentioned above and one from the Finance Office for a total of \$23,066.84. Free Cash is the usual mechanism to transfer to the Compensated Absence fund

SUBJECT: MISSED FY20 INVOICE FROM SIEMENS FOR PAYMENT

DATE: 4/26/2022

Missed FY20 Invoice from Siemens to be Paid

Attached please find the FY20 invoice in the amount of \$10,814. from Siemens for the *Performance Assurance Year 5 Report* related to the guaranteed savings from energy efficiency upgrades performed by Siemens to town buildings. The City of Greenfield is contractually obligated for twenty years to pay for a performance assurance report.

The invoice wasn't sent until well into 2021 and the report was also late in arriving, and it took some time to sort out all the invoices and reports since they were getting sent to different municipal staff at all times of year. Combined with a high rate of turnover at Siemens resulted in highly confusing and missing/delayed invoices and reports.

The Energy Department has created a schedule for the invoices, payments and receipt of reports in order to avoid future problems with this account.

§ 200-6.7 Sign Regulations

[§ 200-6.7 Amended - deleted section and replaced in its entirety by Town Council July 20, 2005]

Definitions:

A billboard is a sign used for the display of posters, printed or painted advertising matter either illuminated or non-illuminated, that directs attention to goods, merchandise, entertainment, or services offered elsewhere than the premises where the sign is located.

Sign regulations.

Any sign erected, altered, or enlarged after the adoption of this ordinance shall conform to the applicable provisions of this section. The purpose of this section is to protect the general public from damage and injury caused by the distractions, hazards, and obstructions caused by signs and to preserve the value of property by ensuring the compatibility of signs with surrounding land uses.

Administration and Enforcement.

All signs, unless otherwise specified in this ordinance, require a sign permit from the Inspector of Buildings who shall determine conformance of a sign allowed by right according to the provisions of this ordinance and/or by way of a special permit. No sign shall be erected except in conformity with a sign permit. The Inspector of Buildings is authorized to order the repair or removal of any sign and its supporting structures which in his/her judgment is dangerous, in disrepair, or which is erected or maintained contrary to this ordinance and/or the provisions of a special permit.

B. Off-premises signs.

- Billboards shall be prohibited.
- (2) Other off-premises signs may be allowed under a special permit from the Zoning Board of Appeals only if the Board finds that such signs will serve the public convenience, will not endanger the public safety, and will not be detrimental to the neighborhood. Off-premises signs shall only pertain to directional information for establishments located in Greenfield not on a state highway and shall not exceed nine (9) square feet in area and ten (10) feet in height.
- (3) The existence of any off-premises sign shall not necessarily mean that a special permit for an additional off-premises sign shall be granted.

C. General sign regulations.

- (1) Wall signs may be painted on or attached to the wall of a building, shall be in the same plane as the wall, and shall not project from the wall by more than twelve (12) inches.
- (2) Projecting signs shall not project more than three (3) feet from the face of the building, shall not project over a public street, and shall have a minimum clearance of eight (8) feet above the sidewalk and thirteen (13) feet above an alley, driveway, or private street. Projecting signs shall project from the wall at a ninety-degree angle. Projecting signs shall not extend vertically above the windowsill of the second story and shall not block the visibility of any other sign. Projecting signs over the public right of way require both a sign permit and license from the Greenfield Licensing Commission.
- (3) All signs or advertising devices, except time and temperature indicators and barber poles shall not contain any visibly moving or movable parts.
- No sign shall generate music or an audible message.
- (5) Dynamic display signs also known as electronic message centers shall be prohibited. Dynamic display signs also known as electronic message centers means any sign designed for outdoor use that is capable of displaying an electronic signal, including, but not limited to, cathode-ray tubes (CRI), light-emitting diode (LED) displays, plasma displays, liquid-crystal displays (LCD), or other technologies used in commercially available televisions or computer monitors. Signs with this technology which are placed by a public agency for the purpose of directing or regulating pedestrian or vehicle movement use—are exempt from this chapter. Dynamic displays shall comply with the following:
 - (a) Minimum display time between display changes shall be 30 seconds. Transition time to next display shall be less than one second.
 - (b) Display boards shall not emit sound.
 - (c) The display must be turned off at 11:00 p.m. or at the close of business, whichever is later.

- (d) Signs must have photocells that automatically dim in dark conditions in direct correlation to natural ambient light conditions. At no time shall the sign lights be greater than 0.3 footcandle above ambient light conditions.
- (56) No sign shall be so designed or colored or so placed as to endanger, obscure, confuse, blind by glare, or otherwise create a hazardous condition to motorists or pedestrians nor shall any sign resemble or conflict with any traffic control signs or signals.
- (67) No sign attached to a building shall project horizontally beyond the end of the wall or vertically above its roof or parapet line.
- (78) No sign shall be located in a required side or rear yard.
- (89) No freestanding sign shall exceed fifteen (15) feet in height unless otherwise specified in this ordinance. Height is the vertical distance measured from grade at the edge of the adjacent right-of-way to the highest point of the sign.
- (9.10) Double sided signs with equal and parallel faces providing identical information on both sides shall be measured on one (1) side only in determining the sign area.
- (4011) Signs painted or placed on the inside of a window shall not exceed twenty percent (20%) of the area of the window glass.
- (4112) A marquee is a permanent roof-like structure attached to, supported by, and projecting from a building and providing protection from the elements. Marquees shall be included in the total area of signage allowed on the face of a building and shall have a minimum clearance of ten (10) feet above the sidewalk.
- (1213) Awnings are coverings either permanently attached to the building or which can be raised or retracted to a position against the building when not in use. Any lettering larger than six (6) inches in height or symbols exceeding four (4) square feet in area shall be included in the total area of signage allowed on the face of the building. The entire illuminated area of an awning shall be considered part of the sign area. Awnings projecting over the public right-of-way require a license from the Greenfield Licensing Commission.
- (4314) Awning canopies are awnings with the long axis projecting perpendicular to the building rather than parallel and requiring posts or poles to support the end of the canopy furthest away from the building. Awning canopies shall require a license from the Greenfield Licensing Commission.
- (4415) Roof canopies are freestanding structures or structures attached to a building designed to provide pedestrian and vehicular protection including but not limited to canopies over gas pumps and drive-up windows. Any area of a roof canopy which contains lettering, registered trademarks, symbols, internal illumination, or decorative lights shall be considered signs and shall comply with all the requirements of these sign regulations.
- (1516) All signs shall pertain to the identification of the firm and the products or services produced or available on the premises unless the sign is an off-premises sign allowed under a special permit from the Zoning Board of Appeals in accordance with § 200-6.7B of this ordinance.

- (1617) All signs shall be taken down and related support structures dismantled, within thirty (30) days, when a business is no longer in operation.
- (4718) Sandwich board signs are permitted directly in front of the place of business in the Central Commercial, and Limited Commercial, and General Commercial Districts only. All sandwich board signs in the public right of way must receive a license from the Greenfield Licensing Commission. A reproduction of such license shall be attached to the sign. All sandwich board signs on private property shall not exceed three (3) feet in height and two (2) feet in width. [Added by the Town Council on November 18, 2009]. The following standards shall apply to sandwich board signs:
 - (a) No sandwich board sign shall be attached to, or leaned against, any street furniture, utility facility (including poles and boxes), street light or any other sign;
 - (b) No sandwich board sign shall be placed in such a manner as to reduce the unobstructed path of travel on any sidewalk to less that forty-eight (48) inches wide, and if the existing unobstructed path of travel of a sidewalk is forty-eight (48) inches or less in width, no sign shall be placed on said sidewalk;
 - (c) No sandwich board sign shall be placed within a curb cut or ramp right-of-way installed to provide improved access to a sidewalk for the disabled or block a path to and from the right-of-way;
 - (d) Sandwich board signs may be displayed only during hours of operation.

D. Illumination.

- Signs may be lighted internally or externally but illumination shall be shielded or indirect
 to prevent glare or shining onto any street or adjacent property.
- (2) Signs in residential districts may not be illuminated except for signs identifying a place open to the public, such as a church or nursing home, and such signs may be lighted only indirectly and in a manner that will not permit light to shine onto any street or adjacent property.
- All lighting shall be continuous and nonflashing.
- (4) No sign shall be illuminated between eleven p.m. (11:00 p.m.) and seven a.m. (7:00 a.m.) unless indicating that the establishment is open to the public during those hours.

E. Temporary signs.

- (1) Temporary signs, except real estate, union/labor signs and political signs, relating to a business, service, product or activity on the premises on which the sign is located shall be removed from public view within seven (7) days after the activity advertised has ceased or after thirty (30) days from the date the sign was erected, whichever comes first.
- (2) Temporary signs attached to or projecting from the outside of a building or from a freestanding sign which are regularly or occasionally replaced or substituted shall be considered permanent signs and shall be included in the maximum allowable sign area for wall or freestanding signs.
- (3) Temporary signs painted or placed on the inside of a window shall be permitted provided that the total combined area of such signs shall not exceed twenty percent (20%) of the area of window glass.

- (4) Decorative displays such as flags not exceeding fifteen (15) square feet and not containing advertising, and any American flag, shall be permitted and do not require a sign permit but will require a permit from the licensing commission if over a public way.
- (5) No private sign or advertisement shall be placed on any public property including but not limited to buildings, land, fences, utility poles, or trees except by permit of the Greenfield Board of License Commissioners.
- (6) One (1) temporary real estate sign shall be allowed in any district advertising the sale or rent of the premises on which the sign is located not exceeding six (6) square feet in area.
- (7) One (1) temporary sign per contractor maintained on a lot while the work is actually in progress not exceeding thirty-two (32) square feet in area is allowed in any district.
- (8) Nothing in this section shall in any way replace or expand allowances under the Municipal Tag Sale Ordinance.

F. Exceptions.

- (1) The Zoning Board of Appeals may grant a special permit for an exception to the number, height, location, or area requirements of a sign subject to a finding that such sign will promote the public interest and that the size, number, height, location, and design of such sign will not be detrimental to the neighborhood. The following criteria shall be considered when reviewing a special permit request:
 - (a) The number, height, location, or area of signs should be justifiable because of multiple frontages, development scale, compliance with the regulations would not produce a visually attractive sign, or other special need;
 - (b) Other public or private signage on nearby properties should not have its visibility unreasonably diminished;
 - (c) Sign content should identify the specific local enterprise, rather than one of many standard brand products available on the premises;
 - (d) Sign design should use placement, colors, and form compatible with building design;
 - (e) Lighting should be steady, stationary, shielded and directed solely at, or internal to, the sign, with brightness not inconsistent with other signs in the vicinity of the City and shall comply with all other requirements of these sign regulations.
- (2) The Zoning Board of Appeals may grant a special permit for one (1) freestanding sign for the identification of an open air use containing no building.
- (3) No sign, other than traffic control and route signs authorized by public agencies, shall be placed within a public right-of-way unless a special permit has been granted by the Zoning Board of Appeals with prior written approval from the Greenfield Licensing Commission and the Greenfield Department of Public Works for City/County rights-of-way, and the Massachusetts Department of Public Works for State rights-of-way.

- G. Maintenance. Any broken, worn or illegible elements of a sign awning or canopy shall be promptly repaired, replaced or removed as directed by the Inspector of Buildings in accordance with this ordinance and with the State Building Code.
- H. Nonconforming signs. Nonconforming signs or other advertising devices legally erected may continue to be maintained provided, however, that no such sign or other advertising device shall be permitted if it is enlarged, reworded (other than in the case of theatre or cinema signs or time and temperature signs), redesigned or altered in any way including repainting in a different color, except to conform to the requirements of this ordinance and provided further that any such sign or other advertising device which has been destroyed or damaged or has deteriorated to such an extent that the cost of restoration would exceed one-third (1/3) of the replacement cost of the sign or other advertising device at the time of the restoration shall not be repaired or rebuilt or altered except to conform to the requirements of this ordinance. Any sign or other advertising device shall comply with all provisions of these Sign Regulations, § 200-6.7, if such sign or advertising device:
 - Has been abandoned;
 - Advertises or calls attention to any products, business or activities which are no longer sold or carried on at the particular premises; or
 - (3) Has not been repaired or properly maintained within thirty (30) days after notice to that effect has been given by the Inspector of Buildings.
- I. Priority Development Sites. [§ 200-6.7(I) added by Town Council October 21, 2009]
 - (1) For any sign allowed as-of-right at a Priority Development Site (PDS), an application therefore shall be submitted to the Inspector of Buildings no later than one hundred fifty (150) days following submission of any other permit application(s) required (a) by this Ordinance or (b) by the Code, generally, relating to the use or development of land, buildings or structures and not otherwise exempted by G.L. c. 43D, and a decision thereon shall be rendered no later than thirty (30) days from said date of submission.
 - (2) For any sign at a Priority Development Site (PDS) requiring a special permit as per Section F, above, an application therefore shall be submitted to the Zoning Board of Appeals simultaneously with any other permit application(s) required (a) by this Ordinance or (b) by the Code, generally, relating to the use or development of land, buildings or structures and not otherwise exempted by G.L. c. 43D, and a decision thereon shall be rendered no later than one hundred twenty (120) days from said date of submission. Upon the issuance of a such a permit, immediately thereafter, but not prior to the expiration of the applicable appeal period, an application for a sign permit shall be submitted to the Inspector of Buildings, who shall render a decision thereon no later than thirty (30) days from said date of submission.
